

<b>1. History of Endoscopic Ear Surgery .....</b>	<b>1</b>
<i>Arindam Das, Sayan Hazra</i>	
• Early Days of Endoscopic Ear Surgery	2
<b>2. Principles of Endoscopic Ear Surgery.....</b>	<b>5</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Clinicopathological Basis	6
• Microscopic to Endoscopic Ear Surgery: A Paradigm Shift	6
• Instrumentation in Endoscopic Ear Surgery	7
• Role of Preoperative Otoendoscopy in Endoscopic Ear Surgery	9
• Anatomical Considerations in Endoscopic Ear Surgery	9
• Safety Concerns in Endoscopic Ear Surgery	9
• Hemostasis in Endoscopic Ear Surgery	10
• Role of Endoscope Holder in Endoscopic Ear Surgery	12
• Endoscopic Bone Drilling: The Art	12
• Exposure in Endoscopic Ear Surgery	13
• Endoscopic Ear Surgery as a Teaching Tool	13
• Endoscopic Ear Surgery: The Shortcomings	13
<b>3. Endoscopic Anatomy of Middle Ear: A Surgeon's Perspective .....</b>	<b>15</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Surgical Anatomy of Retrotympanum	17
• Surgical Anatomy of Epitympanum	24
• Surgical Anatomy of Protympanum	32
• Surgical Anatomy of Hypotympanum	36
• Surgical Anatomy of Chorda Tympani	37
• Endoscopic Anatomy of Cochlea	39
<b>4. Operation Theater Setup and Instruments.....</b>	<b>45</b>
<i>Arindam Das, Sayan Hazra</i>	
• Endoscope	46
• Camera and Monitor	47
• Operation Theater Setup	54
• Instrument Sets	54
• Patient Preparation	63
• Surgeon and Patient Position	66
• Table Arrangement	68
• Postoperative Care	68
<b>5. Imaging for Endoscopic Ear Surgery .....</b>	<b>69</b>
<i>Arindam Das, Sayan Hazra</i>	
• Preimaging Preparation: Its Role and Importance	70
• Role of Preoperative Computed Tomography Scan	70
• How to Read the Computed Tomography Scan?	70
• Case-based Study of Preoperative CT Scan	80
• Intensity Projection in 3D-MPR Mode	81
• Magnetic Resonance Imaging Fundamentals	87
• Role of Preoperative Magnetic Resonance Imaging	88
<b>6. Endoscopic Myringotomy .....</b>	<b>89</b>
<i>Arindam Das, Sayan Hazra</i>	
• Indications	90
• Preoperative Preparation	90
• Types of Grommets Used	90
• Surgical Steps	90

<b>7. Endoscopic Myringoplasty/Tympanoplasty .....</b>	<b>100</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Important Definitions	101
• Indications of Endoscopic Tympanoplasty	101
• Surgical Rationale and Its Physiological Basis	101
• Freshening of Margins of Perforation	105
• Incision	108
• Flap Elevation	111
• Middle Ear Inspection	121
• Palpation of Ossicular Chain	123
• Preparation of Graft Bed	124
• Preparation of Temporalis Fascia	126
• Preparation of Cartilage-Perichondrium	130
• Graft Placement	132
• Closing Steps	138
<b>8. Endoscopic Ossiculoplasty .....</b>	<b>139</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Austin Classification of Ossicular Chain Defects with Absent Incus	140
• Kartush Modification of Austin Classification of Ossicular Chain Defects	140
• Materials Used for Ossiculoplasty	140
• General Principles of Ossiculoplasty	140
• Prognostication in Ossiculoplasty	140
• Principles of Endoscopic Ossiculoplasty	140
• Steps of Endoscopic Ossiculoplasty	141
• Clinical Scenario: Stapes Superstructure Present (S+); Reconstruction with Partial Ossicular Replacement Prosthesis	142
• Clinical Scenario: Stapes Superstructure Absent (S-); Reconstruction with Total Ossicular Reconstruction Prosthesis	157
<b>9. Endoscopic Epitympanic Exploration .....</b>	<b>161</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Indications of Endoscopic Epitympanic Exploration	162
• Surgical Rationale and Its Physiological Basis	162
<b>10. Endoscopic Transcanal Atticotomy .....</b>	<b>183</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Principle of Endoscopic Transcanal Atticotomy and its Difference with Microscopic Atticotomy	184
• Steps of Surgery	185
<b>11. Minimally Invasive Endoscopic Mastoid Surgery .....</b>	<b>208</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Indications of Minimally Invasive Endoscopic Mastoid Surgery	209
• Contraindications of Minimally Invasive Endoscopic Mastoid Surgery	209
• Rationale of Minimally Invasive Endoscopic Mastoid Surgery	209
<b>12. Endoscopic Management of Tympanosclerosis .....</b>	<b>234</b>
<i>Arindam Das, Sayan Hazra</i>	
• Etiopathogenesis	235
• Sites of Involvement and Its Effects	235
• Management Protocols	237
<b>13. Endoscopic Stapes Surgery .....</b>	<b>258</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Special Preoperative Considerations	259
• Special Instruments for Endoscopic Stapes Surgery	259
• Endoscopic Stapedotomy	262
• Endoscopic Stapedectomy	304
<b>14. Endoscopic Transcanal Facial Nerve Decompression .....</b>	<b>312</b>
<i>Arindam Das, Sandipta Mitra</i>	
• Endoscopic Facial Nerve Decompression: Concept of Segmental Decompression	313

- Rationale of Endoscopic Transcanal Facial Nerve Decompression 315
- Indications of Endoscopic Transcanal Facial Nerve Decompression 315
- Contraindications of Endoscopic Transcanal Facial Nerve Decompression 315
- Preoperative Considerations 315
- Steps of Surgery 317
- Specific Points Related Segmental Decompression 350

**15. Recent Advances and Future of Transcanal Endoscopic Ear Surgery ..... 352**

*Arindam Das, Sayan Hazra*

- Three-dimensional High-definition System 353
- Laser 355
- 4K Technology and Narrow-band Imaging in TEES 358
